International Schools Award

We are happy to inform you that we have been awarded the International Schools Award, Foundation Level. We have achieved this through special Language days that we hold in school, and through the good teaching of modern Foreign Languages.

We have worked hard to improve our links within the community which has been recognised through this award. This year we are hoping to establish a strong link with a school in New Zealand.

ASD Training

We are delighted to announce that all teachers and TAs have successfully completed a course focusing on supporting children who are recognised as being on the Autistic Spectrum. This means staff can ensure that all children are successfully accessing the full curriculum.

PE Kits

Please ensure your child has their PE Kit in school at ALL times.

Thank you.

Roald Dahl Day

We raised £51.00 for the Roald Dahl Children's Charity on our dress up day. Well done to everyone—the children looked fantastic!

We are always looking for ways to reduce our paper usage. If you would like to help us by receiving our Newsletters by email, please speak to Mrs Gale in the school office.

Thank you.

Punctuality

It is really important that **ALL** children arrive at school on time in the mornings. They can be dropped off from 8.30am but **MUST** be here by 8.45am in time for registration.
